

***Change* List Poem Ideas/Prompts**

The change in my pocket is coinless
The change in my pocket is outside of it
The change in my pocket doesn't rattle
me
The change in my pocket carries its head held high
The change in my pocket changed me...

The change in my pocket jangles music
The change in the weather is warmly appreciated
The change in his attitude becomes him...

The change from prose to verse
The change from good to better
The change from concrete to turf
The change from wet to wetter

The change from out to in...
