

Change

To make or
become different,
you know
what to do.

Adjectives for change are often
big and *small*
though there are those with
incremental syllables.

When we report
changes in circumstances
some will not
see or hear.

Changing privacy controls
lets you privatise yourself.

When the clocks change
birds tweet good mornings
in wibbly wobbly timey-wimey
song.

Visit iChange for
Because Marketing
with real-time
as if
and
so so
platforms.

Climate change is in a
plastic bag,
choking.
